An applicant can be considered as being an “Early-Stage Researcher” when the time that has elapsed between the award date of the applicants PhD and the date of the applicants first involvement in the COST Action IS1310 does not exceed 8 years. PhD students are also eligible to partake in STSMs.

The financial support on offer is a contribution to the overall expenses incurred during the STSM and may not necessarily cover all of the associated outgoings.

The following funding conditions apply and must be respected:
